

Dear Parents,

Studio A Center for Performing Arts is extremely pleased to introduce **VideoMagic Productions** to produce the 2018 dance recital videos. With over 20 years in the business, VMP will capture the exquisite talents of your children so that you can cherish these memories for years to come. While new to us, VideoMagic was chosen based on their experience and strong reputation to produce high quality recital videos throughout Metro-Detroit. They use multiple cameras and creative editing techniques which provide a more engaging video. Videos are available in both DVD and Blu-Ray. We encourage pre-orders, but you may also place your order with VMP at the recital. Please be informed it will take about eight (8) weeks to complete & ship the videos. Be sure to clearly print your complete address for shipping. Thank you for your time and consideration! If you have any questions, feel free to call them at (734)656-5000 or watch a sample of their work at <https://vimeo.com/47743541>.
